Certain areas included in this map have been covered by land classification and soil surveys. This information is shown on maps and plans which may be obtained at a small cost, either from The Director, Topographical Survey, Department of the Interior, Ottawa, or from the Agent of Dominion Lands at Peace River and Grande Prairie.

All unoccupied surveyed agricultural lands, whether odd-numbered or even-numbered sections, that are not reserved or that have not been disposed of are open to entry for Homestead.

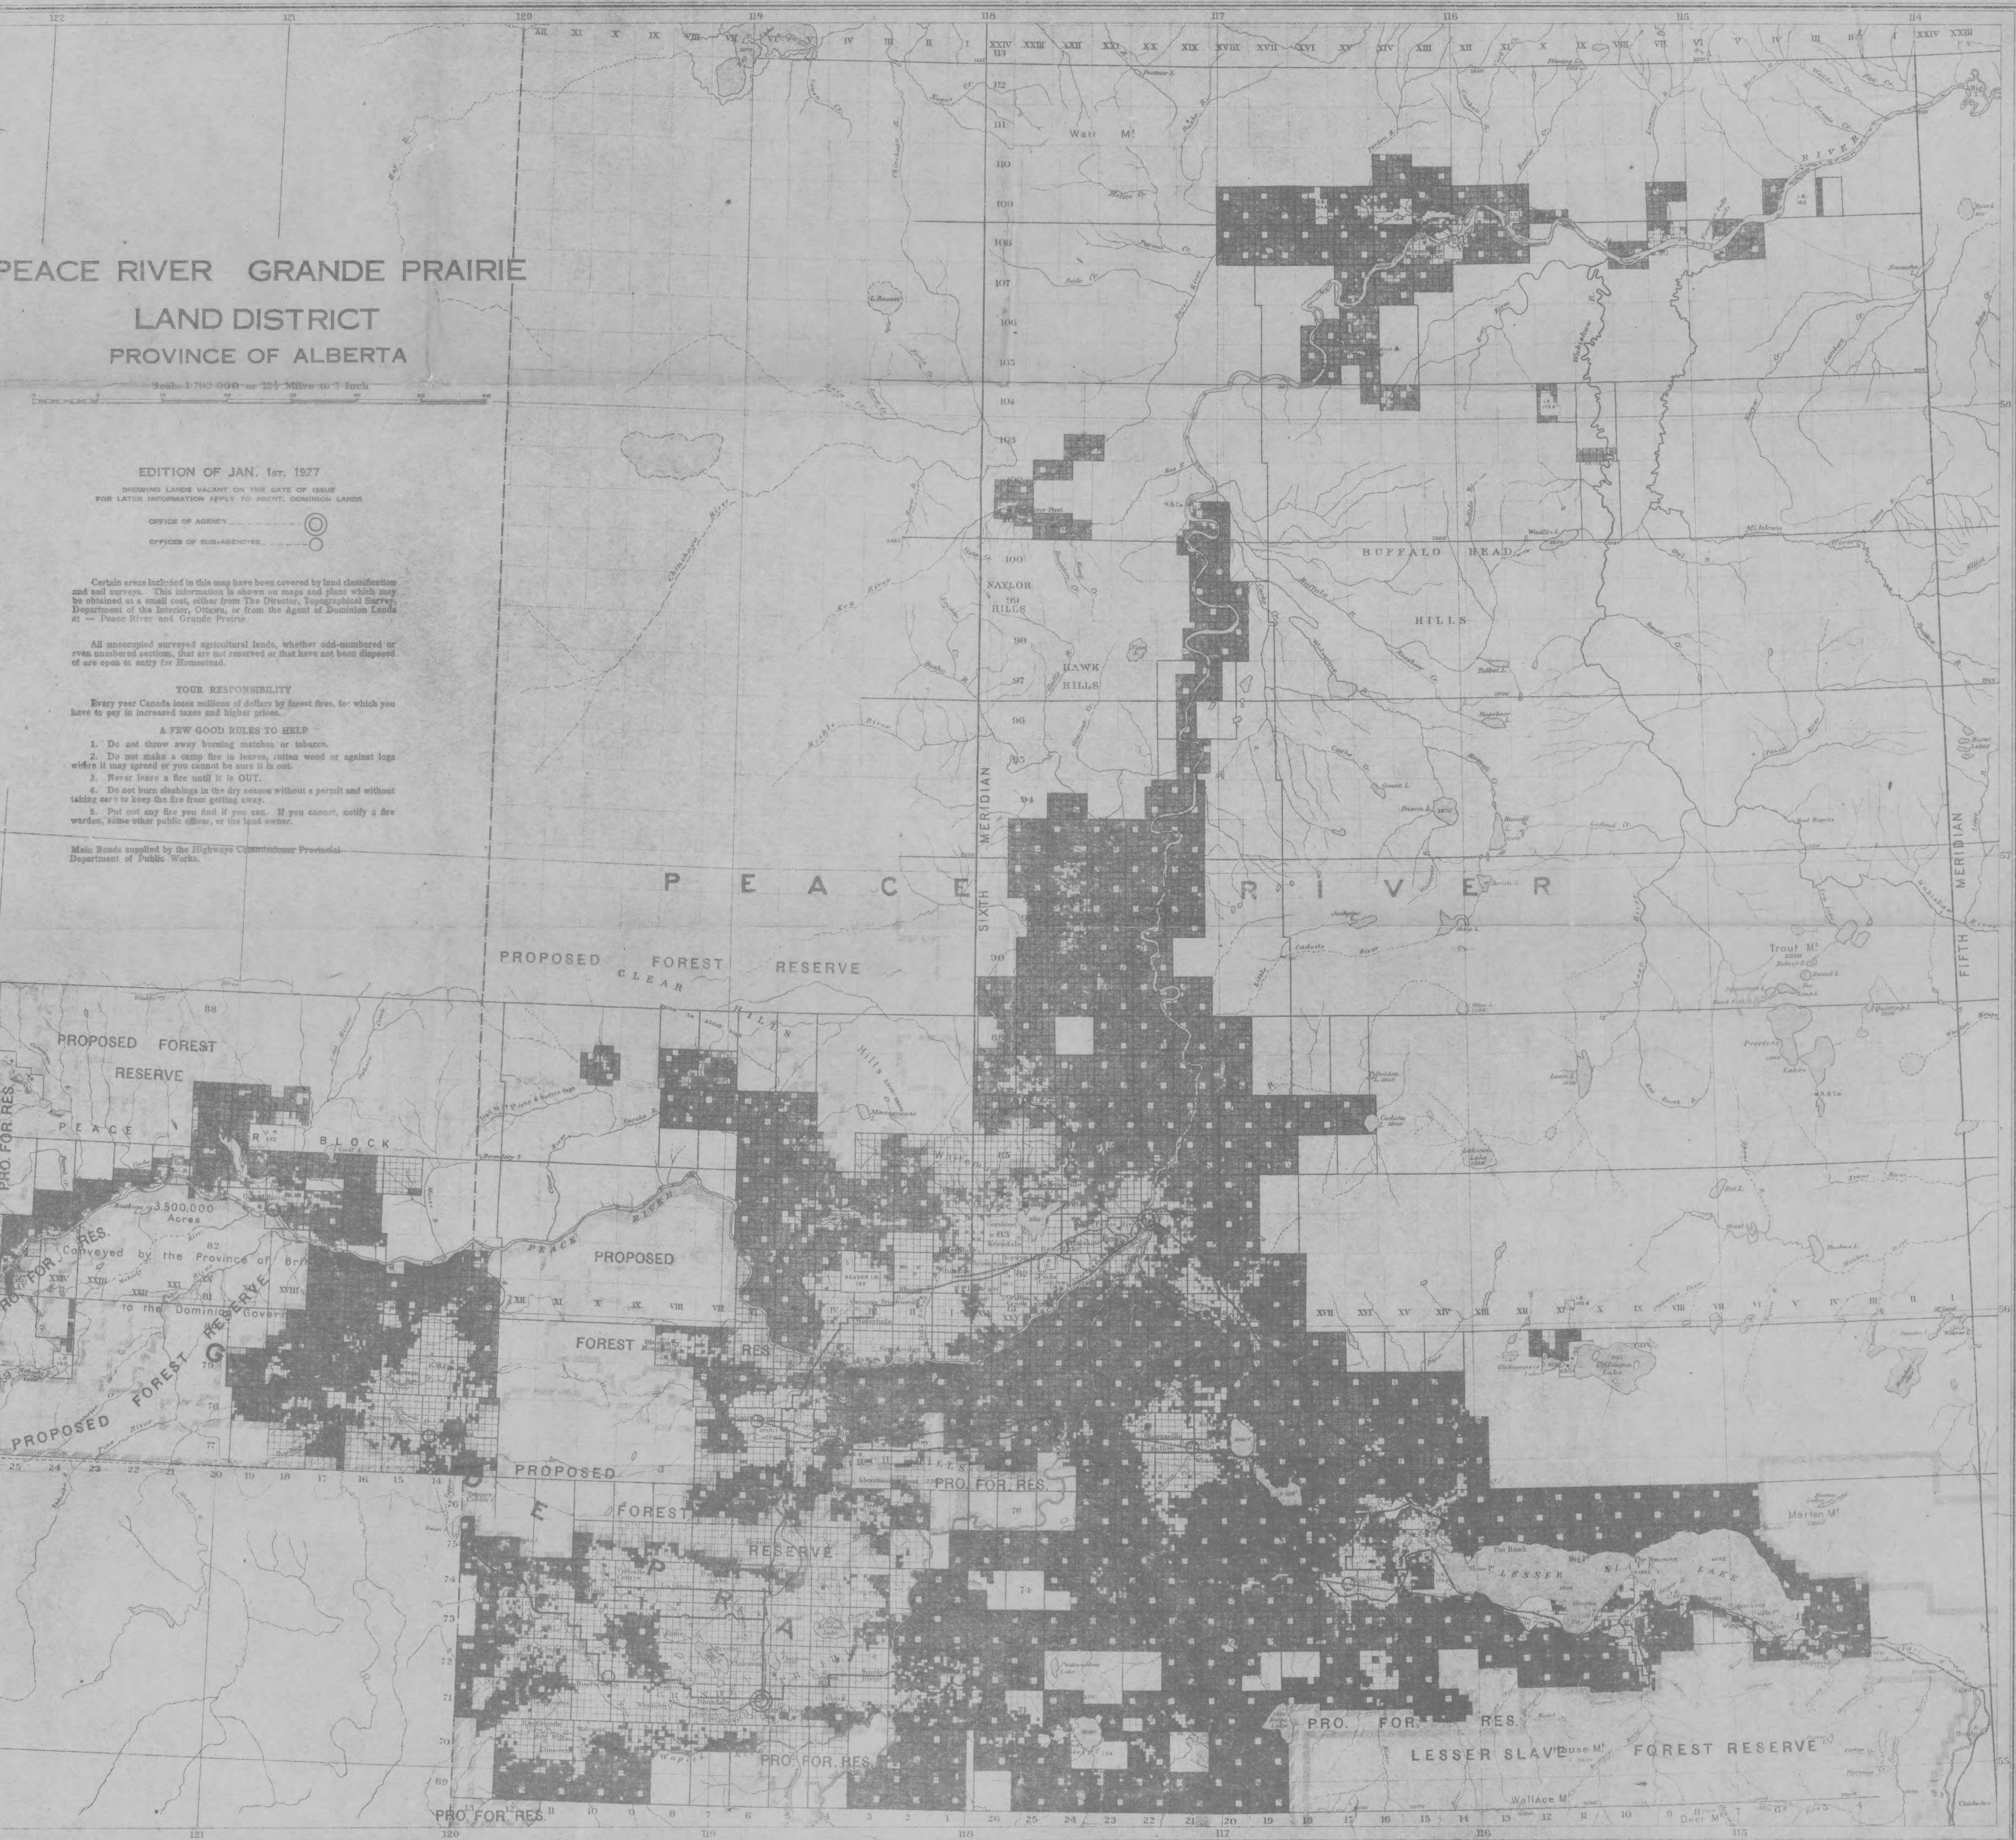

YOUR RESPONSIBILITY

Every year Canada loses millions of dollars by forest fires, for which you have to pay in increased taxes and higher prices.

A FEW GOOD RULES TO HELP

1. Do not throw away burning matches or tobacco.
2. Do not make a camp fire in leaves, cotton wood or against logs where it may spread or you cannot be sure it is out.
3. Never leave a fire until it is OUT.
4. Do not burn slashings in the dry season without a permit and without taking care to keep the fire from getting away.
5. Put out any fire you find if you can. If you cannot, notify a fire warden, some other public officer, or the land owner.
